## Amalgamation Updates

At the January meeting of the PEI Presbytery the names submitted by our Pastoral Charge were approved. In dealing with the three courts of the church (PEI Presbytery, Maritime Conference, and the National Church) we will be known as Cornwall Pastoral Charge. All other matters within our local congregation we will be known as West River United Church.

The trustees continue to work diligently to settle property and asset matters. They will continue to update the congregation on their progress.

To communicate to the wider community of our changes, a press release has been prepared and will appear in the local print media in the coming weeks. Our local churches, whom we share a covenant; have been notified about the name change.

Until all official documents have been prepared and approved please continue to use the Cornwall Pastoral Charge United Church of Canada for business you may do with the church i.e. weekly offerings.

## **Annual Tax Receipts**

The annual tax receipts are ready for you to pick up in the hall! As well, there are still some envelopes left, which did not get picked up yet. Please have a look!

## **Note to all Groups**

We would ask all groups who are meeting in the building to turn the heat in your meeting room back down to 13° when you are leaving and please to let the office know if you cancel a meeting, so that the room is not unnecessarily heated. Thank you!
