The Annual Meeting of West River United Church will be held this Sunday, Feb 21st at 10:30, in the church sanctuary. A Zoom link will enable participation of folks at home.

We hope that you will join us in this important meeting, either in person or remotely. If you know someone who wants to participate remotely but doesn't have internet access, we invite you to reach out and see if there is a way to help them connect.

Wearing of Masks: Just a friendly reminder that masks are mandatory for all events and interaction among staff, visitors, members and others while in any part of the church facility.

During worship, masks may be removed by those participating as leaders in the service, either when reading or solo singing. During any events or committee meetings, participants may remove masks to drink, if refreshments are offered. Additionally, leaders and participants may remove masks for a limited time to read, offer discussion (if spacing makes it difficult for others to hear) and/or

provide direction to the group. Strict 6-foot distancing must be in place.

Exemptions to mandatory masks include, but not limited to:

- Children under the age of 2;
- Children under 5 who will not wear a mask;
- Anyone who cannot remove a mask without assistance ; and
- Valid medical reasons, such as active breathing problems (most people with underlying medical conditions can wear a mask safely).

Lent-At-Home Kits

For anyone who is interested, we have prepared some Lent-At-Home Kits for you to help deepen your faith at home this season. They will be in brown envelopes in the church hall, and will be available starting on Sunday, February 14th. In these you will find a variety of devotions and activities, with something for all ages, to carry you through Lent. Feel free to pick one up for just yourself or your family, and also consider sharing one with someone

you know who might be in need of some extra spiritual care.

Our West River Congregation Supports Food-banks During Lent

Your Outreach and Hospitality Committee encourages each of us to make a special effort to support local foodbanks during Lent. We are inviting you to **donate a can of protein rich food for each of the 6 weeks of Lent**. Suggested items could be canned items such as meat, fish, beans, peas, lentils, peanut butter, etc. The non-perishable items at foodbanks are frequently high in carbohydrates and low in protein. While everything donated is helpful, we are suggesting that West River's Lenten project be to help improve the nutritional quality of food at foodbanks. Your gift of 6 cans of protein rich food can be dropped off at the Church during the Easter Season or delivered to a food-bank yourself.
