HAPPY FALL Y'ALL!

Great News!!!

West River United Church is pleased to partner with the Atlantic School of Theology (AST) in welcoming Edie Walls into her first Student Practicum experience as she moves toward ordination. This is a volunteer position organized by and supported by her student practicum coordinator at AST and a local Presbytery mentor. And we are the beneficiaries of Edie's wonderful ministry gifts. Edie will work in this role until the end of October. She will be leading faith formation studies, doing some actual preaching, continuing to offer pastoral care and in general assisting with the work of the Church. Lucky us and thanks Edie!!

Faith Discussion Group

We are looking to start a faith discussion group in lieu of the Bible Study that was held in the spring. This new group will discuss a wide range of current social and religious issues and how they relate to our Christian faith to help our members grow both spiritually and socially. "In my Father's house there are many rooms," Jesus said (Jn. 14:2). We welcome the diversity of paths, personalities, life experiences, and perspectives which each person will bring to the group. We admit that no one of us has the complete window on the truth, but that together we grow into reflecting God's image and likeness. Please see the dates for our next meetings in the 'mark your calendar' section on the back!

Last Call

If you brought any dishes or containers to any of the social's or supper's, they are all cleaned and ready for pick up for quite some time! And it would help us a lot if you could take yours home to free the kitchen space. Any dishes not picked up today, will be donated!!!
